Insurance for USA Softball umpires is by far the best for any sport or organization and includes a \$3,000,000 liability policy and accidental injury arising out of the amateur softball activities of the umpire. These events include USA Softball sanctioned games, practices, clinics and tournaments. The medical expense benefit was increased to **\$250,000**, with a \$500 deductible and a 90/10 coinsurance coverage, accidental death is \$2,000 and accidental dismemberment is \$4,000. **A NEW insurance coverage for the umpire this year also insures the registered umpire for any other amateur sport, for example football, baseball, basketball... and includes Scholastic, (Middle school, High School, NFHS) and Collegiate (NCAA, NAIA, NJCAA) softball, with the exception of Non-USA Softball at no additional cost.** This was previously only available under the "Sports Officials" plan for an additional fee and has now been incorporated under the insurance policy for the USA Softball Registered Umpire. There is no loss of game reimbursement coverage or travel coverage under the new plan.

For those serious about umpiring or those just wanting to get a start in the avocation of softball umpiring, the USA Softball training is noted as one of the best officiating programs in any sports organization today. **Please sign up for one of our [2023 State Umpire Clinics](#) which are included in your umpire registration.** Whether plate mechanics, base positioning, signals, working with players and coaches, or just tips in umpiring, the USA Softball Manual is the most complete training guide available. **Please note that the Umpire Manual is only available online so that you can access it from your smart phone or print it out yourself in larger print.** The Umpire Manual can be found at: <https://www.teamusa.org/usa-softball/umpires/umpire-manual> The USA Softball Rule Book is also available in a digital version.

Adult Umpires who umpire any participants under 18 years of age are required to take the USA Softball Background Check and complete the SafeSport Certification Training Program. The SafeSport Core Training contains 3 modules: Sexual Misconduct Awareness, Mandatory Reporting, and Emotional & Physical Misconduct. We take protecting our members both on and off the field very seriously and are dedicated to building and maintaining a supportive and nurturing environment in which our participants may flourish and grow.
